## Will you go to prom with us?

Have you ever wished you could get a do-over for certain major life events? Maybe it was such an amazing experience you would absolutely love to relive it just one more time? Or maybe it wasn't what you hoped for, but now you're a totally different person who would approach the same scenario with a new mindset?

Prom Remodeled is your opportunity to re-live or re-do one of your most important high school memories, but this time with a more important purpose. Experience one of Detroit's most iconic, must-attend annual events with a superstar lineup of entertainment. Get your prom dresses and tuxedos

ready to roll up in a limo and walk the red carpet. Enjoy a variety of strolling hors d'oeuvres and cocktails in Detroit's formerly vacant Durfee Middle School, now repurposed into the Durfee Innovation Society. Maybe you'll win best dressed or possibly even become a Prom King or Queen? But more importantly, this is your opportunity to re-do prom with a purpose. Help us renovate the former Dominican High School we recently purchased on Detroit's eastside! Ensure more:

**What We Do**  
Neighborhood Revitalization  
That Lasts

There's a lot of talk but not enough walk when it comes to revitalizing Detroit neighborhoods. Detroiters have all the talent they need, but many don't have access to all the opportunities they deserve.

That's why Life Remodeled repurposes vacant school buildings into one-stop hubs of opportunity for entire families to thrive. We fill these iconic buildings with the best and brightest nonprofit organizations who are providing youth programs, workforce development, and human services to tens of thousands of students and community members, and we help our nonprofit tenants collaborate and create far greater life transformation together than they ever could alone.
