About Life Remodeled

What We Do

Neighborhood Revitalization That Lasts

There's a lot of talk but not enough walk when it comes to revitalizing Detroit neighborhoods. Detroiters have all the talent they need, but many don't have access to all the opportunities they deserve.

That's why Life Remodeled repurposes vacant school buildings into one-stop hubs of opportunity for entire families to thrive. We fill these iconic buildings with the best and brightest nonprofit organizations who are providing youth programs, workforce development, and human services to tens of thousands of students and community members, and we help our nonprofit tenants collaborate and create far greater life transformation together than they ever could alone.

Your support ensures more:

- ◆ students perform at or above grade level in math & reading
- ◆ families have access to essential health & wellness services
- ◆ community members obtain higher paying jobs & achieve economic self-sufficiency

Life Remodeled has the highest possible ratings on both Candid (formerly GuideStar) and Charity Navigator. Additionally, there are more than 21,000 nonprofit organizations in Metro Detroit, and Crain's Detroit Business has recognized Life Remodeled as one of the best-managed two years in a row.
